9 The plan, estimates and other particulars relating to the work will be available in the Office of the Executive Engineer, Shimoga Division, Shimoga, between 11 A.M. and 5 P.M. on all working days.

10 For lumpsum provision and for items not provided in the estimate, the rates will be paid as per current schedule of rates. For items of works not found in the schedule of rates, the rates as per approved data will be paid.

11 The earnest money deposit of the unsuccessful tenderer is refundable after acceptance of tender by competent authority or after two months from the date of receipt of tenders whichever is earlier.

12 The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

13 The sales-tax and income-tax clearance certificates should be enclosed along with the tender and tenders received without the certificate are liable to be rejected.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries. No extra amount will be paid for any of the above items.

16 If the work is not completed and handed over within the specified time a fine of Rs. 50 will be levied for every month's delay.

5561 C. K. RANGARAJA IYENGAR, *Ex. Engr.*

SAGAR DIVISION, SAGAR.

Notification dated 6th November 1953.

Sealed tenders will be received at the Office of the Executive Engineer, Sagar Division, Sagar, up to 4 P.M. on 30th November 1953, for collecting and stacking granite jelly and sand for cement concreting the road from Thalaguppa Railway Station to Jog Pravasi Mandira (12—1/8th miles).

1 The jelly to be collected should be hard granite jelly of cubical shape and should be free from flakes, dust and powder. For each furlong 140 Cyds. of jelly is to be collected for cement concrete. Out of this jelly about 2/3rd quantity of jelly should be of size 1½" and 1/3rd quantity should be of ½" to ⅜". 70 cu. yds. of jelly is also required per furlong for widening and reconditioning.

These two qualities of jelly should be stacked alternately in separate heaps on the prepared berms of the roads at such measured spacings as specified by the Executive Engineer.

2 For the section from Thalaguppa Railway Station to Sri Ganapathy Temple the granite jelly should be conveyed from the developed quarries to be got approved in Thalaguppa-Hirebhasgar road section. For miles 229 to 235 on Bangalore-Jog road, and for the 1st 2½ miles of Jog-Bhatkal road the jelly should be collected from the developed quarry to be approved in Jog Ferry road.

3 Rates for each item of work to be quoted separately for the following mileage sections of the road :—

1st Section	...	Thalaguppa to Ganapathy Temple.	226, 227, 228 and 229
2nd Section	...	Ganapathy Temple to 233 mile stone above Kargal toll gate.	230, 231, 232 and 233
3rd Section	...	From the mile stone above Kargal toll gate to Jog T.B.	234, 235 and 1st 2½ miles of Jog-Bhatkal road.

4 The work is to be completed within 3 months from the date of work order and monthly progress should not be less than Rs. 30,000.

5 Tenders in the prescribed form obtainable on payment of annas four per form from the Office of the Executive Engineer, Sagar Division, Sagar, should be addressed to the Executive Engineer, Sagar Division, Sagar, in a sealed cover and superscribed as tenders for "collecting and stacking jelly and sand for cement concreting Thalaguppa-Jog road". The name of the contractor should also be superscribed on the top of the cover.

Tenders to be quoted on rates per Cyd. for the above three sections individually.

6 Each tender must be accompanied by a duplicate chellan for having credited into the treasury the deposit amount of Rs. 2,500 under Revenue Deposits or Mysore Government Bonds duly endorsed at full value or market value whichever is less as earnest money.

7 The successful contractor should bind himself to abide by the departmental rules in force and should execute the necessary "Mutchalika" within a fortnight from the date of intimation of acceptance of his tender failing which the earnest money will be forfeited.

8 The final acceptance of recommendations for acceptance will rest with the Executive Engineer, Sagar Division, Sagar who does not bind himself to accept the lowest or any other tender or to assign any reason whatsover for the rejection of any.

9 No conditional clause will be accepted.

10 No sales-tax will be admitted by the department.

11 No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

12 The rates quoted shall hold good till the acceptance of the tender or otherwise and shall thereafter be binding for the execution of the work.

13 The submission of a tender by a contractor implies that he has read this notice and conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

14 If the work is not completed within the specified period the fine of Rs. 50 will be levied for every fortnight's delay.

15 Tendered contractor has to pay compensation to disabled workman working under him for any injury caused during the execution of the work failing which the amount will be deducted from the bills and paid to the injured.
